*Congratulations and Welcome

ELIZABETHTOWN COLLEGE ALUMNI ASSOCIATION

The Alumni Association looks forward each year at this time to receiving into membership those who are about to be graduated from our college and to inviting you into a new relationship to your Alma Mater.

During your educational experiences here at the college, yours was a college-student relationship. You were busily preparing for your vocational or professional objectives and had relatively little time to think about the important role of alumni to an institution.

However, now you are about to step into a different relationship to your Alma Mater—a relationship which places you in the important position of bearing the off-campus image of your Alma Mater.

The Alumni Association expresses its sincere wishes for a most rewarding future for you and extends its most cordial invitation to you to join us in our efforts to enhance the image of our college.

Sincerely
Earl K. Ziegler, President
Elizabethtown College
Alumni Association

Don't forget to join us often . . .
. . . and please keep in touch through
